(Location: forest. A Werewolf enters pulling along Ash Ketchum, Pokémon trainer.)

Werewolf: Now look here Mr. Pokémon trainer, I captured you fair and square and now you are going to be my prisoner.

Ash: Now way! I'll just wait for you to fall asleep, and then I'll get away.

Werewolf: *(Howl)*! No you won't. I have magic powers that will keep you stuck right in my cave.

Ash: Drat! What am I going to do?

Werewolf: Nothing! That's what! *(Howls)* Ha ha ha...

(Werewolf exits pulling Ash along behind him. Three Pokémon enter. You can be any Pokémon, but you must say the Pokémon name just like the show when "(name)" appears.)

Pokémon 1: *(name)* Oh no! Ash is in trouble with that really scary Werewolf!

Pokémon 2: *(name)* I know. *(name)* What should we do?

Pokémon 3: *(name)* Well we have to do something. We're the only Pokémon that speak human *(name)*.

Pokémon 1: We have to try to rescue him *(name)*.

Pokémon 2: Remember, *(name)* Pikachu's sick and only Ash can make him better.

Pokémon 3: *(name)* That's right! So we have to save Ash to save Pikachu *(name)*.

Pokémon 1: But how!?! *(name)* *(name)*

Pokémon 2: Maybe *(name)* we could fight the Werewolf *(name)* *(name)*.

Pokémon 3: No way *(name)*! The Werewolf is way too scary and powerful to fight *(name)*.

Pokémon 1: I think so too *(name)*. We need a different plan. What if we sneak by and quietly rescue Ash? *(name)*

Pokémon 2: *(name)* That just might work!

Pokémon 3: Let's do it *(name)* *(name)*!

(The Pokémon exit excited. The Werewolf enters dragging Ash along behind him.)

Werewolf: Now you stay right here. *(Casts a magic spell)* Sticky sticky stungo! Now you're stuck to the floor. You can't go anywhere.

Ash: Oh no, you're right! *(Ash can't move his feet from the floor)* I can't move a bit! What are you going to do to me now?

Werewolf: I'm not sure yet. Maybe I'll eat you...

Ash: I'm too skinny to be eaten.

Werewolf: You're too skinny to be eaten? Hmm... Maybe I'll make you my servant.

Ash: Well that's a little better than being eaten.

Werewolf: *(yawns)* But how do I know I can trust you? I'll have to cast a spell on you to make you follow my orders. *(yawns)* First I think I'll take a little nap. Chasing you and catching you took a lot of energy. Since you're stuck to the floor, I don't have to worry about you running away. *(yawns and lays down on the floor.)* Ok, I'll see you later, goodnight. *(falls asleep and starts to snore).*

(The Pokémon enter tip-toeing and whispering.)

Pokémon 1: Shhhhh. The Werewolf's asleep *(name)*.

Pokémon 2: *(name)* Shhhh *(name)*.

Pokémon 3: *(name)*...

Ash: *(Shaking his head no)* You can't rescue me, I'm stuck to the floor with magic.

Pokémon 3: Don't worry, leave it to us *(name)*.

(The Pokémon grab onto Ash's legs.)

Ash: I'm telling you, it won't work!

Pokémon 1: Shhh *(name)*...

Pokémon 2: Ok, *(name)*, pull on the count of three. One *(name)*.

Pokémon 3: Two *(name)*.

Pokémon 1, 2, 3: THREE! *(The Pokémon all pull at the top of their might, and finally fly off of Ash landing on the ground and bumping into the Werewolf.)*

Werewolf: *(Howls)* Who's there!? Grrrr Pokémon! What do you think you're doing here? Guards! Get them. Get the Pokémon!

(The Pokémon start to exit quickly, but three Monsters enter and grab the Pokémon before they can get away. The monsters are a Mummy, a Vampire and a Zombie.)

At the same time Pokémon 1: Eek! *(name)* *(name)*

Pokémon 2: *(name)* Ahh! *(name)*

Pokémon 3: *(name)* *(name)* No!

Vampire: No vee have you, *(laughs)* ah ah ah...

Zombie: Mmmm... you.... brains...

Mummy: Ehhhh... Caught you....

Ash: I told you it wouldn't work! You should have listened to me.

Pokémon 1: *(name)* We know, but we had to try.

Pokémon 2: You have to help Pikachu get better *(name)* *(name)*.

Pokémon 3: We promise we'll listen *(name)* from now on.

Vampire: But now, ah ah ah, vee have you!

Mummy: You... Ehhhh... prisoners!

Zombie: We brains mmmm...

Werewolf: That's enough out of you monsters. Don't forget you work for me! Now as for you Pokémon, sticky sticky stungo! Now you're all my prisoners. You monsters stay with the prisoners. I have to go think about what to do with them. (*Werewolf exits*)

Ash: Now what do we do?

Vampire: Nah-sing, you wait for the wolf man.

Pokémon 1: (*name*) But we have to help our sick friend!

Mummy: My mummy... ehhhh... sick too.

Pokémon 2: Your mommy's sick too (*name*)?

(*Mummy nods his head yes*)

Zombie: Mmmm... sick brain... (*Zombie holds his head.*)

Pokémon 3: Awe (*name*) you poor Zombie.

Ash: It looks like we're all in need of some medicine, rest and hot cocoa.

Vampire: Why would vee drink hot cocoa?

Pokémon 1: It would make you feel happy (*name*) and healthy!

Zombie: Mmmm... happy brain!

Pokémon 2: (*name*) We can all be better if we work together!

Ash: Yeah, it's true!

(*Werewolf enters.*)

Werewolf: What is all this racket (*Howls*)?

Vampire: Vee think vee should all work togezzer to feel better.

Werewolf: How will working together make us better?

Pokémon 3: (*name*) (*name*) It makes you feel happy and then you'll feel better.

Pokémon 1: And Ash's medicine (*name*) can heal Mummy's Mommy.

Pokémon 2: (*name*) And Zombie's brain!

At the same time Mummy: Mummy!

Zombie: Brain!

Werewolf: (*Howls*) Quiet! Let me think... You mean to tell me that being friends with people can be better than being evil to them?

Ash: Of course!

Werewolf: And even make us feel better?

Pokémon 1, 2, 3 and Monsters: YEAH!

Werewolf: Alright. Groovy. (*howling*) GrooOOOooooovy! Let's work together to heal our friends. (*casts different magic spell*) wiggle wiggle wango! There, you're free.

Ash and Pokémon: Yay! (*name*) (*name*)

Ash: I'll start making some hot cocoa and get out my medicine.

Pokémon 1: Let's go get Pikachu (*name*).

Pokémon 2: Yeah (*name*) so Ash can heal him.

(*Pokémon 1, 2 & 3 exit*)

Zombie: Mmmm... Cocoa brains...

Mummy: Ehhh... Go get it!

Vampire: Vee'll all go.

(*Vampire, Mummy & Zombie exit*)

Werewolf: Just us again...

Ash: Yeah, but now we're buddies.

Werewolf: Buddies huh? Hmm...

Ash: Yep, and everything's going to friendly from now on. You know I've always wanted to be a werewolf.

Werewolf: Well, friend... we'll see what we can do...

At the same time Werewolf: (*Howls*) The End

Ash: (*laughs*) The End!
